Company Secretary

The name of the Company's secretary in office at any time during, or since the end of, the year was:

Company Secretary	Appointment Date	Cessation Date
Mr Chris Deftereos	20 March 2020	20 May 2022
Mr Liam O'Connor	20 June 2022	Current

Principal Activity

The principal activity of the Group during the financial year was to perform its function as outlined in the Constitution in the following ways:

- 1. **Promoting health and safety awareness** through further development of a national policy agenda, and associated activities.
- 2. Advancing the science and practice of health and safety through:
 - · Accrediting higher education courses in OHS;
 - Promoting the Global OHS Capability Framework;
 - The provision of a range of member services including regular E-News, Magazine, Journal, and access to Research Database;
 - Facilitation of conferences, seminars, and webinars as part of professional development;
 - Hosting networks; and
 - Providing a mentorship program.
- 3. **Promoting professional recognition** through Certification of the profession.
- 4. Researching and developing health and safety procedures and practices through maintaining and developing the OHS Body of Knowledge.
- 5. Providing other services to support our constitutional objectives including:
 - · Promoting discussion and debate on emerging OHS management concepts and systems; and
 - Promoting evidence-based practice.

Key Performance Measures:

We measure our performance through the use of quantitative and qualitative benchmarks set by the Board under its strategic plan and a rolling annual business plan. Performance measures have been set in the business plan, for a series of activities under each of the three focus areas:

- 1. Cultivating the health and safety Body of Knowledge and building strong development frameworks for practitioners, professionals, and leaders.
- 2. Providing opportunities to connect, contribute and learn from each other, in both social and professional settings.
- 3. Promoting the role and value of the profession and achieving greater impact by forging industry connections.
- 4. Creating a sustainable technical and financial base for future growth through agile, responsive, and efficient operations with diverse income streams.
- 5. Advocating with courage on policy to improve legislation, regulation, and standards.
- 6. Improving health and safety knowledge, education, and training within the wider community.

Our work in these areas is monitored through regular reports to the Board by the Chief Executive.

Indemnification of Officer or Auditor

The Company has paid an annual premium to insure the Directors and Officers against liabilities incurred in their respective capacities. Under the policy, details of the premium are confidential.

Proceedings on Behalf of the Company

No person has applied for leave of Court to bring proceedings on behalf of the Company or intervene in any proceedings to which the Company is a party for the purpose of taking responsibility on behalf of the company for all or any part of those proceedings.

The Company was not a party to any such proceedings during the financial year.

Contributions on winding up

The Company is incorporated under the *Corporations Act 2001* and is a company limited by guarantee. If the Company is wound up the constitution states that each member is required to contribute a maximum of \$10 towards meeting any outstanding obligations of the Company. At 30 June 2022 the total amount that members of the company are liable to contribute if the Company is wound up is \$41,230.00.

Auditor's Independence Declaration

A copy of the auditor's independence declaration as required under Subsection 60-40 of the *Australian Charities and Not-for-Profit Commission Act 2012* as set out on page 9 of this report.

Notes to the Financial Statements

For the Year Ended 30 June 2022

The financial report covers Safety Institute of Australia Ltd t/a Australian Institute of Health and Safety as an individual entity. Safety Institute of Australia Ltd t/a Australian Institute of Health and Safety is a not-for-profit Company, registered and domiciled in Australia.

1 Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards - Simplified Disclosures and the *Australian Charities and Not-for-profits Commission Act 2012.*

These financial statements are the first general purpose financial statements prepared in accordance with Australian Accounting Standards - Simplified Disclosures. In the prior year the financial statements were general purpose financial statements prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements. There was no impact on the recognition and measurement of amounts recognised in the statements of financial position, profit and loss and other comprehensive income and cash flows of the Company as a result of the change in the basis of preparation.

2 Summary of Significant Accounting Policies

(a) Revenue and other income

Revenue from contracts with customers

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Company expects to receive in exchange for those goods or services. Revenue is recognised by applying a five-step model as follows:

- Identify the contract with the customer
- 2. Identify the performance obligations
- 3. Determine the transaction price
- 4. Allocate the transaction price to the performance obligations
- 5. Recognise revenue as and when control of the performance obligations is transferred

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Company have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

Specific revenue streams

The revenue recognition policies for the principal revenue streams of the Company are:

Membership revenue

The performance obligation for membership revenue is deemed to be satisfied over the period of membership and revenue from membership fees received is recogniesd on a straight-line basis over the period of membership.

Notes to the Financial Statements

For the Year Ended 30 June 2022

2 Summary of Significant Accounting Policies

(a) Revenue and other income

Specific revenue streams

Any amounts received in advance is recognised as income in advance until the period of membership has been provided to the member.

Revenue from events and conferences

Revenue for events and conferences is recognised at a point in time, being once the event or conference occurs and the performance obligation to provide the event or conference has been satisfied.

Revenue received in advance for events or conferences which are yet to occur are recorded as income in advance.

Government stimulus

The Company has received Government stimulus revenue by way of Jobkeeper payments and the Cash Flow Boost. Revenue is recognised at a point in time, being when the Company has satisfied the criteria to receive the revenue, this is recorded on an accrual basis. Government stimulus revenue is measured at the gross amount and is not netted against corresponding expenses incurred by the Company.

Other income

Other income is recognised on an accruals basis when the Company is entitled to it.

(b) Income Tax

The Company is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(c) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

Notes to the Financial Statements

For the Year Ended 30 June 2022

2 Summary of Significant Accounting Policies

(d) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Items of property, plant and equipment acquired for significantly less than fair value have been recorded at the acquisition date fair value.

Plant and equipment

Plant and equipment are measured using the cost model.

Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the assets useful life to the Company, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate	
Furniture and Fittings	10% - 50%	
Computer Equipment	50%	
Moodle	40%	

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

(e) Financial instruments

Financial instruments are recognised initially on the date that the Company becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification

On initial recognition, the Company classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through profit or loss FVTPL

Notes to the Financial Statements

For the Year Ended 30 June 2022

2 Summary of Significant Accounting Policies

(e) Financial instruments

Financial assets

Financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets.

Amortised cost

Assets measured at amortised cost are financial assets where:

- the business model is to hold assets to collect contractual cash flows; and
- the contractual terms give rise on specified dates to cash flows are solely payments of principal and interest on the principal amount outstanding.

The Company's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment.

Interest income, foreign exchange gains or losses and impairment are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

Financial assets through profit or loss

All financial assets not classified as measured at amortised cost or fair value through other comprehensive income as described above are measured at FVTPL.

Net gains or losses, including any interest or dividend income are recognised in profit or loss (refer to hedging accounting policy for derivatives designated as hedging instruments.)

The Company holds derivative financial instruments to hedge its foreign currency and interest rate risk exposures. Embedded derivatives are separated from the host contract and accounted for separately if the host contract is not a financial asset and certain criteria are met.

The Company's financial assets measured at FVTPL comprise of deposits in the statement of financial position.

Impairment of financial assets

Impairment of financial assets is recognised on an expected credit loss (ECL) basis for the following assets:

- financial assets measured at amortised cost
- debt investments measured at FVOCI

Notes to the Financial Statements

For the Year Ended 30 June 2022

2 Summary of Significant Accounting Policies

(e) Financial instruments

Financial assets

When determining whether the credit risk of a financial assets has increased significant since initial recognition and when estimating ECL, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on the Company's historical experience and informed credit assessment and including forward looking information

The Company uses the presumption that an asset which is more than 30 days past due has seen a significant increase in credit risk.

The Company uses the presumption that a financial asset is in default when:

- the other party is unlikely to pay its credit obligations to the Company in full, without recourse to the Company to actions such as realising security (if any is held); or
- the financial assets is more than 90 days past due.

Credit losses are measured as the present value of the difference between the cash flows due to the Company in accordance with the contract and the cash flows expected to be received. This is applied using a probability weighted approach.

Trade receivables

Impairment of trade receivables have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses. The Company has determined the probability of non-payment of the receivable and multiplied this by the amount of the expected loss arising from default.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Company renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

Other financial assets measured at amortised cost

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss model in AASB 9. On initial recognition of the asset, an estimate of the expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

Notes to the Financial Statements

For the Year Ended 30 June 2022

2 Summary of Significant Accounting Policies

(e) Financial instruments

Financial liabilities

The Company measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Company comprise trade payables, bank and other loans and lease liabilities.

(f) Impairment of non-financial assets

At the end of each reporting period the Company determines whether there is an evidence of an impairment indicator for non-financial assets.

Where an indicator exists and regardless for indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cashgenerating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss

(g) Intangible assets

Software

Software costs associated with software are deferred and amortised on a straight-line basis over the period of their expected benefit.

(h) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

Notes to the Financial Statements

For the Year Ended 30 June 2022

2 Summary of Significant Accounting Policies

(i) Leases

At the lease commencement, the Company recognises a right-of-use asset and associated lease liability for the lease term. The lease term includes extension periods where the Company believes it is reasonably certain that the option will be exercised.

The right-of-use asset is measured using the cost model where cost on initial recognition comprises of the lease liability, initial direct costs, prepaid lease payments, estimated cost of removal and restoration less any lease incentives received.

The right-of-use asset is depreciated over the lease term on a straight line basis and assessed for impairment in accordance with the impairment of assets accounting policy.

The lease liability is initially measured at the present value of the remaining lease payments at the commencement of the lease. The discount rate is the rate implicit in the lease, however where this cannot be readily determined then the Company's incremental borrowing rate is used.

Subsequent to initial recognition, the lease liability is measured at amortised cost using the effective interest rate method. The lease liability is remeasured whether there is a lease modification, change in estimate of the lease term or index upon which the lease payments are based (e.g. CPI) or a change in the Company's assessment of lease term.

Where the lease liability is remeasured, the right-of-use asset is adjusted to reflect the remeasurement or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

(j) Employee benefits

Provision is made for the Company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cashflows are discounted using market yields on high quality corporate bond rates incorporating bonds rated AAA or AA by credit agencies, with terms to maturity that match the expected timing of cashflows. Changes in the measurement of the liability are recognised in profit or loss.

(k) Adoption of new and revised accounting standards

The Company has adopted all standards which became effective for the first time at 30 June 2022, the adoption of these standards has not caused any material adjustments to the reported financial position, performance or cash flow of the Company.

Notes to the Financial Statements

For the Year Ended 30 June 2022

3 Critical Accounting Estimates and Judgments

Those charged with governance make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Key estimates - useful life of assets

The Company determines the estimated useful lives and related depreciation and amortisation charges for its plant, equipment and intangible assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or writen down.

Key judgments - employee benefits

The liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

Notes to the Financial Statements

For the Year Ended 30 June 2022

7 Trade and other receivables

	2022	2021
	\$	\$
CURRENT		
Trade receivables	249,172	19,336
Other receivables	3,678	125
	252,850	19,461

The Company applies the simplified approach to providing for expected credit losses prescribed by AASB 9, which permits the use of the lifetime expected loss provision for all trade receivables. To measure the expected credit losses, trade receivables have been grouped based on shared credit risk characteristics and the days past due. The loss allowance provision as at 30 June 2022 is determined as follows, the expected credit losses incorporate forward looking information.

30 June 2022 Gross carrying amount (\$)	Current 19,737	< 30 days overdue 206,745	< 90 days overdue -	> 90 days overdue 22,690	Total 249,172
30 June 2021	Current	< 30 days overdue	< 90 days overdue	> 90 days overdue	Total
Gross carrying amount (\$)	16,587	1,499	1,375	-	19,461

Trade and other receivables are unsecured and generally on 14 day terms. An allowance for expected credit loss is recognised when there is objective evidence than an individual trade or other receivable is impaired. As at 30 June 2022 the Company assessed all receivables to be recoverable.

8 Other Financial Assets

		2022	2021

10 Property, plant and equipment

	2022 \$	2021 \$
Furniture, fixtures and fittings At cost Accumulated depreciation	30,279 (22,948)	27,890 (21,437)
Total furniture, fixtures and fittings	7,331	6,453
Computer equipment At cost Accumulated depreciation	18,842 (10,755)	25,489 (14,835)
Total computer equipment	8,087	10,654
Computer software At cost Accumulated depreciation	22,663 (11,762)	22,663 (4,495)
Total computer software	10,901	18,168
Total property, plant and equipment	26,319	35,275

(a) Movements in Carrying Amounts

Movement in the carrying amounts for each class of property, plant and equipment between the beginning and the end of the current financial year:

	Furniture and Fittings	Computer Equipment	Moodle	Total
	\$	\$	\$	\$
Year ended 30 June 2022				
Balance at the beginning of year	6,453	10,654	18,168	35,275
Additions	2,389	4,320	-	6,709
Disposals	-	(823)	-	(823)
Depreciation expense	(1,511)	(6,064)	(7,267)	(14,842)
Balance at the end of the year	7,331	8,087	10,901	26,319

Notes to the Financial Statements

For the Year Ended 30 June 2022

11 Leases

Right-or-use assets	Buildings \$	Total \$
Year ended 30 June 2022		
Balance at beginning of year	77,021	77,021
Amortisation charge	(44,591)	(44,591)
Balance at end of year	32,430	32,430
	Buildings	Total
	\$	\$
Year ended 30 June 2021		
Additions to right-of-use assets	97,290	97,290
Amortisation charge	(50,904)	(50,904)
Balance at beginning of year	30,635	30,635
Balance at end of year	77,021	77,021

Lease liabilities

The maturity analysis of lease liabilities based on contractual undiscounted cash flows is shown in the table below:

	< 1 year	1 - 5 years	> 5 years	Total undiscounted lease liabilities	Lease liabilities included in this Statement Of Financial Position
	\$	\$	\$	\$	\$
2022 Lease liabilities	35,000	-	-	35,000	34,141
2021 Lease liabilities	50,833	35,000	-	85,833	78,047

Extension options

The Company leases a building for their corporate office, the lease is 2 years and includes a renewal option to allow the Company to renew for an additional term. The rental is subject to a fixed increase of \$2,500 on its second year.

Notes to the Financial Statements

For the Year Ended 30 June 2022

12 Trade and Other Payables

	2022	2021
	\$	\$
CURRENT		
Trade payables	78,372	56,848
GST payable	56,028	35,627
Employee benefits	75,388	42,745
	209,788	135,220

Trade and other payables are unsecured, non-interest bearing and are normally settled within 30 days. The carrying value of trade and other payables is considered a reasonable approximation of fair value due to the short-term nature of the balances.

13 Other Financial Liabilities

	CURRENT Membership and partnership revenue received in advance Other revenue received in advance	276,736 272,452	351,551 111,804
		549,188	463,355
14	Employee Benefits

	Long service leave	51,068	37,957
	Annual leave	88,687	73,468
		139,755	111,425
	Non-current liabilities		
	Long service leave	18,909	13,768
		18,909	13,768

15 Members' Guarantee

The Company is incorporated under the *Australian Charities and Not-for-profits Commission Act 2012* and is a Company limited by guarantee. If the Company is wound up, the constitution states that each member is required to contribute a maximum of \$ 10 each towards meeting any outstandings and obligations of the Company. At 30 June 2022 the number of members was 4,123 (2021: 3,920).

Notes to the Financial Statements

For the Year Ended 30 June 2022

16 Key Management Personnel Remuneration

Any person(s) having authority or responsibility for planning and controlling the activities of the Company, directly or indirectly, including any Director (whether executive or otherwise) of that entity is considered key management personnel (KMP). The total remuneration paid to key management personnel of the Company is \$ 219,317 (2021: \$ 240,773).

17 Contingencies

In the opinion of those charged with governance, the Company did not have any contingencies at 30 June 2022 (30 June 2021:None).

18 Related Parties

In the 2020/2021 financial year, the Company had related party transactions with Work Cover Qld & Kitney OHS to which Jo Kitney was the Chair of the AIHS Certification committee and is also a Director of Kitney OHS.

The body of work undertaken was based on establishing programs for Qld employers insured through WCQ and registration criteria/standards for OHS consultants and other related matters. Under this body of work, the Company was the primary contractor and received \$45,625 for the project, of which \$40,805 was paid to Kitney OHS for the consultancy work undertaken in accordance with the WCQ agreement.

The project was completed in the 2020/2021 financial year and there are no transactions with a related party in the 2021/2022 financial year.

Independent Auditor's Report To the Members of Safety Institute of Australia Limited t/a Australian Institute of Health and Safety

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Safety Institute of Australia Limited t/a Australian Institute of Health and Safety (the Company), which comprises the statement of financial position as at 30 June 2022, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of Safety Institute of Australia Limited t/a Australian Institute of Health and Safety is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- giving a true and fair view of the Company's financial position as at 30 June 2022 and of its financial performance for the year then ended; and
- (ii) complying with Australian Accounting Standards and the Corporations Regulations 2001.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Directors' responsibility for the financial report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial statements is appropriate to meet the requirements of the ACNC Act and is appropriate to meet the needs of the members. The directors are also responsible for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Independent Auditor's Report To the Members of Safety Institute of Australia Limited t/a Australian Institute of Health and Safety

Report on the Audit of the Financial Report

Auditor's responsibility for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
 sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
 collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by those charged with governance.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
