1.3.2 Voting at the AGM

As was the case in 2018, we will again conduct the AGM via webcast to provide more flexibility for members to access the proceedings. **Voting for election of Directors closes on Thursday 22 August 2019.** The results of the election will be announced at the AGM.

There are no special resolutions for members to vote on at this AGM.

Voting to accept minutes of 2018 AGM and any other motions:

- You CAN vote on acceptance of reports and/or minutes of the 2018 AGM if you are present at the AGM in person or have given a proxy to a member who is present at the AGM.

1.3.3 Proxies

Although this year, because:

- (a) There are no special resolutions; and
- (b) Directors voting is completed prior to the AGM and is available to all members via the two options outlined above;

Provision of proxies is still required if you are not able to join the meeting in person or by webcast but wish to vote on acceptance of reports and minutes and in order that your presence is counted towards the Quorum we need to conduct the AGM.

If giving a proxy to another member, that member must be present in person and can be either given instructions to vote for or against motions put and reports presented or not given instructions and allowed to make a decision on your behalf.
