AIHS
Australian Institute of Health & Safety

TASMANIAN SAFETY SYMPOSIUM & TRADE SHOW
Thurs 26 Sep 2019 | Tasmanian Hockey Centre

Join the conversation @AIHSinTAS

Program
The 2019 Symposium and Trade Show will provide health & safety professionals with access to Australia's leading WHS professionals, researchers and legal minds. It will showcase contemporary safety practices with traditional themes such as contractor management and incident investigation.

The Trade Show will expose you to Tasmania's leading safety suppliers and vendors, who share the Institute's vision.

GUEST SPEAKERS

Emeritus Professor Michael Quinlan, UNSW
Michael Quinlan is an Emeritus Professor of Industrial Relation in the School of Management at the University of NSW. He also holds an honorary professorial post in the Faculty of Social Sciences and Humanities at the University of Tasmania and a visiting appointment in the Business School, Middlesex University London. His research has focused on work organisation and regulatory aspects of occupational health and safety, the impact of workplace death and industrial relations history and policy.

Rod Collinson, Director, Edge Legal
Rod is a co-founder of Edge Legal. Rod has particular expertise in people management issues, industrial disputes and advocacy. Prior to Edge Legal, Rod was the group head of an Employment & Safety Group in a mid-tier firm for 10 years. He also previously worked in a top tier law firm and as a Consultant providing on-site services in the mining industry. This complemented a background in workers compensation law.

Alena Titterton, Partner, Clyde & Co
Alena Titterton is a Health, Safety and Security Partner at global law firm Clyde & Co. Dual qualified in law and behavioural science (majoring in psychology), Alena brings a multidisciplinary approach to supporting clients in managing legal OHS risks. Alena works across both private and public sectors, investigating incidents, defending prosecutions and developing safety management systems. Alena advises Boards and executives on safety due diligence and conducts WHS legal compliance audits having developed the audit tool, ClydeComply. She also developed the free iTunes incident notification app, Clyde Covered.
